Anna -

I am very sorry that I
^{my health} am obliged to say that such is
that it will be impossible for
me to be at the Fair on Thursday
evening. I have omitted to give you
this notice until this hour hoping
I should be able to be with you.
I deem it important to inform you
not knowing certainly what arrange-
ments you have made to supply
the people with Anti-Slavery
food.

Please say to Mrs Loom that
Mrs Spear expects to have the
quilts which she engaged. She
will please forward them to
our house or office at my ex-
pense.

Yours for the slave
John A. Spear
